dating back to 1970. The "annual" number for the tournament was started at 1 when Faribault Lutheran

As the calendar changes, so does Faribault Lutheran School Board of Directors membership. We thank and praise God for gifting all the members of the Board of Directors, but right now we highlight the many years of service from those members whose terms end as we turn the calendar to 2010.

**Thank You
Connie, Hub,
and Curt!**

Connie Roosmalen and Hub Cloeter have each served two terms (six years each) as they represented Trinity Lutheran Church to the FLS Board of Directors. Curt Becher has served a portions of terms vacated by others for a total of five years. Curt represented Peace Lutheran Church to the Board of Directors.

Connie Roosmalen was secretary, Hub Cloeter was vice-chair, and Curt Becher was overseer of the Hot Lunch Program.

We thank and praise God for these three servants and the many hours of tireless service they have given to both congregations as they served on the Board of Directors.

NEW BOARD MEMBERS

The new Faribault Lutheran School Board of Directors members who have been duly elected by their congregations will be joining the board as voting members at the January meeting.

Matt Schreck and Neal Weeg will be representing Trinity Lutheran Church, and Bob Jasmer will be representing Peace Lutheran Church. Again, we thank and praise God for gifting these individuals with the skill set and the willingness to serve in this capacity.

**Welcome
Matt, Neal,
and Bob to
the Board of
Directors.**

ANNUAL BASKETBALL TOURNEY SET

**Annual Basket-
ball Tourna-
ment set for
January 15-17,
2010.**

Many of you have spent many years polishing the bleachers, and many others running the court, officiating, cheering, working concessions, and conducting many other tasks that go into putting on a successful basketball tournament. And there have been many tournaments,

School was formed in 1996.

Rarely, if ever, has the success of the tournament weekend been equated with any team winning or losing. Over the many years I have felt that the success of the weekend lay in both players and parents meeting a "competitor" on Christian terms. I know of longstanding friendships that exist today which had their genesis at this tournament.

This year's tournament is scheduled for the weekend of January 15-17. Games are played on Friday night, Saturday afternoon and early evening, and Sunday afternoon. Check the Faribault Lutheran School website (flsweb.org) as the time gets closer for the schedule of who plays whom and when.

Why not place that phone call and make plans to meet the long-lost friend at the tournament and get some enjoyable game-watching done at the same time.

REGISTRATION OPENS SOON

Do you know a family who would like to send their child(ren) to Faribault Lutheran School? Now is the time to start or continue talking with them about enrolling their children at FLS. Registration will be opening soon.

Do you know someone who **SHOULD** consider sending their children to FLS? Now is the time to start talking with them also. We ask you to do two things. First, talk with this family about FLS and what it can do/has done for your children. Secondly, put them together with school administration for further conversations. Have this family (or you) call the school office at 334-7982 with this information.

Oh, there is a third thing that some of you could also do. Many people need financial help. Are you able to make a contribution to help a family send their child(ren) to FLS? If so, please contact the school office or Mr. Pfeiffer.

AUDIT CONDUCTED ON FINANCIAL RECORDS

In late November an independent auditor conducted an audit of the financial records of Faribault Lutheran School. The Board of Directors has his report and will be acting on the recommendations over the next weeks and months.

FLS provides high quality, values-based education in a loving Christian environment.
