Joyce presented classroom alignment ideas. Ideally, this would include Joel Witt teaching algebra if ok with him and an aide for grades 6-7-8.

Principal's report-he also has done up new letterhead and a brochure to be critiqued as soon as possible as he wants to get a bunch printed up.

Lunch program is in the black by \$35.40. We will decide 2010-11 prices at next meeting.

Receivables update, have gotten a few payments in on old balance, total outstanding is still about \$15,000.

More scholarship money has become available so we will send out new amounts based on \$10,000 versus the previous \$5,000.

Three families have taken advantage of the two year enrollment option and two of those families have paid the first year in full.

Registration is at 83 right now for 2010-2011 year.

Kids' Club-Bob Jasmer has not been able to contact Lori and is recommending stopping the program due to budget constraints. M/M to discontinue Kids' Club effective 7/2/2010. Families will be notified and Rod Gramse will contact Lori. Will continue to encourage Shermayne to start a new program.

M/M to authorize \$6480 moving expense through Stevenson moving company for Joel Witt.

Need an ad in the Daily for FLS. Peg will take care of.

Talked about a Scrip shower for the Witss possibly in conjunction with his installation tentatively set for July 18th at Peace.

Will have a Staff/Board social at Deb's in August.

Joel needs to be licensed in the state of MN as a teacher.

Discussed the possibility of a Para for the upper grades and possibly K again depending on enrollment and finances.

M/M to reduce tuition for third or more children in family to 50% off. First two would be at full tuition, 3rd and more would be 50% off.

Meeting adjourned at 8:30 (?) with prayer.
