

Faribault Lutheran School

Dear Parent:

Faribault Lutheran School will administer the following over-the-counter medications upon your request with your signed parental consent. Please keep in mind that only age/weight appropriate dosages will be given. You must provide the school with the medication to be given. All other medications must have a Doctor's approval.

The list of over-the-counter medications to be administered includes:

Acetaminophen (Tylenol)
Ibuprofen
Antacid (Tums)
Cold Medicine (Only those that are deemed safe by the FDA)
Alcohol rubs for wound cleaning only

My child _____ may receive over-the-counter medications as follows: (place an X on the line of the appropriate choice)

_____ All of the above over-the-counter medications may be administered as needed.

_____ All of the above over-the-counter medications may be administered as needed except: _____

_____ None of the above over-the-counter medications may be administered.

(Date)

Early Dismissal

Early dismissal can catch us by surprise. This can happen because of extremely high heat and humidity, snow/ice storms, furnace/power outage and so on. It is very helpful if each family takes the time to develop and discuss a plan to use in case of an early dismissal. Complete this portion and discuss this with your child so they know what you expect of them. Unless you call the school on the day of occurrence we will follow the instructions given on your form.

Names of all FLS students and their grades: _____

The Plan: _____

Parent/Guardian Signature: _____

Phone Number to call if different from others listed: _____

Name of the person being called and relationship to child: _____
