

Important: Required for all Families to complete the Application for Educational Benefits-Free and Reduced Meals

Faribault Lutheran School offers healthy meals each day. **Children in grades K-8 may buy lunch for \$3.15.** Breakfast is also available for students grades K-8. There is no cost for kindergarten breakfast, **cost is \$1.80 for grades K-8.**

Your children may qualify for free or reduced-price school meals. Parents and Guardians are encouraged to complete an Application for Educational Benefits-Free and Reduced Meal.

Please complete the form attached. A new application must be submitted each year. At Faribault Lutheran School, your application also helps the school qualify for education funds and discounts.

State funds help to pay for reduced-price school meals, so **all students who are approved for either free or reduced-price school meals will receive school meals at no charge.** State funds also help to pay for breakfasts for kindergarten students, so all participating kindergarten students will receive breakfasts at no charge.

If a child has been determined by a physician to have a disability and the disability prevents the child from eating the regular meal, we will make modifications or substitutions prescribed by the physician at no additional charge. Lactose-reduced milk will be provided upon written request of a parent.

Complete the Application for Educational Benefits and return to the school office.

Who can get free school meals? Children in households participating in the Supplemental Nutrition Assistance Program (SNAP), Minnesota Family Investment Program (MFIP) or Food Distribution Program on Indian Reservations (FDPIR), and foster, homeless, migrant and runaway children can get free school meals without reporting household income. Also, children can get free school meals if their household income is within the maximum income shown for their household size on the instructions.

I get WIC or Medical Assistance. Can my children get free school meals? Children in households participating in WIC or Medical Assistance do not automatically qualify for free meals. Children may be eligible for free or reduced-price school meals depending on other household financial information. Please fill out an application.

Who should I include as household members? Include yourself and all other people living in the household, related or not (such as grandparents, other relatives, or friends).

May I apply if someone in my household is not a U.S. citizen? Yes. You or your children do not have to be U.S. citizens for your children to qualify for free or reduced-price school meals.

What if my income is not always the same? List the amount that you normally get. If you normally get overtime, include it, but not if you get overtime only sometimes. For seasonal work, write in the total annual income.

Will the information or case number I give be checked? It may be. We may also ask you to send written proof.

How will the information be kept? Information you provide on the form, and your child's approval for meal benefits, will be protected as private data. For more information see the back page of the Application for Educational Benefits.

If I don't qualify now, may I apply later? Yes. Please complete an application at any time if your income goes down, your household size goes up, or you start getting SNAP, MFIP or FDPIR benefits.

Please provide the information requested about children's racial identity and ethnicity, which helps to make sure we are fully serving our community. This information is not required for approval of school meal benefits.

If you have other questions or need help, call the office.

The **Richard B. Russell National School Lunch Act** requires the information on this application. You do not have to give the information, but if you do not, we cannot approve your child for free or reduced price meals. You must include the last four digits of the social security number of the adult household member who signs the application. The last four digits of the social security number is not required when you apply on behalf of a foster child or you list a Supplemental Nutrition Assistance Program (SNAP), Temporary Assistance for Needy Families (TANF) Program or Food Distribution Program on Indian Reservations (FDPIR) case number or other FDPIR identifier for your child or when you indicate that the adult household member signing the application does not have a social security number. We will use your information to determine if your child is eligible for free or reduced price meals, and for administration and enforcement of the lunch and breakfast programs. We MAY share your eligibility information with education, health, and nutrition programs to help them evaluate, fund, or determine benefits for their programs, auditors for program reviews, and law enforcement officials to help them look into violations of program rules.

At public school districts, each student's school meal status also is recorded on a statewide computer system used to report student data to MDE as required by state law. MDE uses this information to: (1) Administer state and federal programs, (2) Calculate compensatory revenue for public schools, and (3) Judge the quality of the state's educational program.
